Re: Complaint Regarding City of Concord

Dear Mr. Gram-Reefer:

This letter acknowledges that the Enforcement Division of the Fair Political Practices Commission (FPPC) has received your complaint regarding the above-named entity. However, after review by staff, it was determined that the mailers included with your complaint do not contain sufficient evidence to allege a violation of the Political Reform Act's prohibition against campaign related mailings being sent at public expense.

If you have any questions, or if you wish to speak with someone in the Enforcement Division about your correspondence, you may call us at (916) 322-5660. Thank you for your interest in the FPPC.

Sincerely,

A handwritten signature in black ink, appearing to read "Roman G. Porter", is written over a horizontal line.
